- Manager's report

Virginia Cook has advised the Board of her decision not to seek reelection to another term. The Board extends its sincere appreciation to Virginia for her 10 years of service to the Club.

The Board, with the recommendation of the Nominating Committee, supports Al Gettler for election to the Board. Al previously served on the Board from 2003 – 2006. Al's resume is attached for your review.

Please note that your PRNSC account must be paid in full to be able to vote.

During the past four years \$225,000 of capital improvement projects have been completed. These projects were funded from the Club's Capital Reserves and the \$100 capital assessment. This is in addition to the annual maintenance activities; painting, plumbing, electrical, filtration, general clean up, etc. Despite these significant expenses the Club's annual dues have not been increased for the past four years. The Board is fully aware of its responsibility to maintain the long term success of your Club while keeping dues at a reasonable level.

The Club's Management Team returns as last year;

- Sean Barron - Manager
- Bill Szachewicz - Assistant Manager

Tricia Wojcicki will return with her Water Aerobics Class. The children's arts & crafts program will continue, including the PRNSC T-shirt tie-dye. Shirts will be available for purchase in the office. A schedule of these sessions will be posted weekly on the bulletin board

John Edwards will again manage our swim team and coordinate the swim lessons. Sign up for swim lessons and the team will take place immediately following the Annual Meeting. Please bring a check for payment as we will not provide a billing option this year. For those wishing to sign up, provisions will be made to maintain your place in order of arrival. Please note however, that payment must be made at the time of sign up and that neither swim lesson times nor places on the swim team will be held without payment.

We are currently in the process of instituting a new member identification system which will no longer require the use of member photo ID cards. The new system will be phased in over the course of this season. This new system will require that each family member have a new photo taken. Provisions will be made to accommodate this. **Please insure that all family members have a new photo taken this season as the old cards will no longer be valid in 2012.** Please continue to use your current membership card until you've had your new photo taken.

The Club opens on a limited weekend schedule Memorial Day weekend Saturday May 28th. The club will remain open the weekend following Labor Day, weather permitting. The complete operating schedule, summer special events, as well as Board meeting dates can be found on the Club's website www.pearlriverclub.com.

The Club relies on its members willing to volunteer their time for the club. I encourage you attend the Annual Meeting and become involved! If you are interested in joining a committee or the Board, please contact a Board member.

Your Board welcomes you back and looks forward to another great season!

Sincerely,

Larry DeGennaro
President
