

APRIL 2019

MONTHLY NEWSLETTER- 2nd edition

Dear Members,

In order to provide better outreach and information regarding the club, we are happy to present our April 2019 newsletter with some important information.

*What's new:*

The club website ([www.pearlriverclub.com](http://www.pearlriverclub.com)) has been updated over the past few weeks. Please note info for Swim Lessons, the Swim Team, and Lifeguard Certifications have been posted.

Reminder: the **New Member Brunch** is Sunday, May 19th from 10am-12pm.

The women's bathroom renovations are progressing nicely and are expected to be completed by early May!

As a benefit to the membership, there will be a new **Outdoor Boot Camp** fitness program at PRNSC this summer. Please see the website under the "Activities" tab for more details. This is only open to members, and there is an instructor fee.

We would like to thank Alison Gerondel and Carrie Gleeson- these members have stepped up and are planning to run for election to the Board of Directors at the annual membership meeting in June. Their bios and info will be sent out prior to the June meeting. The Board, comprised of all volunteers, thanks them for their commitment and willingness to join us in helping make the swim club a great place for all members.

Anyone interested in joining the Board of Directors or forming a committee for a specific benefit to the club should email us at [info@pearlriverclub.com](mailto:info@pearlriverclub.com)

Make sure to like us on Facebook (**Pearl River Nauraushaun Swim Club**) and follow us on Instagram and Twitter (**@PRNswimclub**) for more updates as we gear up for another great season!

Looking forward to seeing everyone at the pool this summer!

For questions or inquiries email to [info@pearlriverclub.com](mailto:info@pearlriverclub.com)
