

MAY 2019

MONTHLY NEWSLETTER- 3rd edition

Dear Members,

We are getting closer and closer to Opening Weekend! Here is some important information regarding the upcoming season:

We are looking for a **member volunteer** who would be willing to lead the **Arts and Crafts** program for the summer. We are planning to provide Arts and Crafts 3 days per week. We will have staff members assist, but we would like an adult member to provide suggestions on specific Craft items and act as the program lead. Anyone interested please email the club at [info@pearlriverclub.com](mailto:info@pearlriverclub.com) and provide name, member number, and phone number.

We are happy to announce that **Aqua Fitness with Phil** is back by popular demand this season! Class dates and times to be announced in the upcoming weeks.

Since email is the primary form of communication with the membership including all bills and invoices, it is very important that you provide an **updated email address** that is checked by someone in your household. If you have changed your email within the past year please email us at [info@pearlriverclub.com](mailto:info@pearlriverclub.com) and provide name, member number, updated email and updated phone contact number.

**All members** must have a photo of each member of their family in their membership profile. If you do not have photos of your family members you will be asked to take pictures when you check in this year. Otherwise, you can take head shots and email to [info@pearlriverclub.com](mailto:info@pearlriverclub.com). Each picture should list member # and person's name.
